## GUIDE TO N. C. REGIMENTS IN THE C. S. A. ARMY

North Carolina contributed eighty-four regiments to the Army of the Confederate States of America. All were identified by numbers (1st-83rd) except the "Bethel" Regiment. The regiments of artillery, cavalry, and infantry were numbered consecutively, but the regiments of each of these arms, with the exception of the infantry, also had its individual number. For the sake of clarity, this numbering system has been used in the catalogue. Cross references

# GUIDE TO N. C. REGIMENTS IN THE C. S. A. ARMY

have been made when necessary. For example, the 9th N. C. Regiment was the 1st N. C. Cavalry Regiment.
